

Community Safety

Initial idea (Write in the box on the right your initial idea, detailing where it would take place and how much it would cost)	Space 4 Me at Beckton (St Marks Church) for SEN children and their siblings for play and activities; life skills, also providing respite for parents. They help the families by providing a safe place for their children. I want Space 4 Me to have this funding because of the help it gives to the SEN community. After		
Is this idea achievable with the funding available?	Is this idea achievable within one year?	Can this idea be done in this location?	Any other tips from the experts
Tips from expert: Yes.	Tips from expert: In conclusion Space 4 Me is a place where children and young people especially those who are socially isolated, have SEN, Mental health issues but no social care support package can meet, be part of the community and achieve much more in life. The children also get training to achieve qualification
