WE WANT YOUR VIEWS

COLOURS OF MANOR PARK

We want to improve the appearance of the Manor Park Library building by adding artwork to the exterior.

We are also intending to paint murals on neighbouring buildings which celebrate the area's culture and history.

These locations are currently proposed as Manor Park Station and Manor Park Community Centre.

The project has been developed through a series of co-design workshops with the residents of 1 Station Road, E12 5BP, and members of the wider Manor Park Community resulting in the concept proposals shown overleaf. Once the designs are finalised they will be installed in 2024.

We would like your feedback on the current concept designs!

WE ARE NEWHAM.
