Estate Regeneration - Canning Town and Custom House Community Initiatives Project

Polling Results – Canning Town

The chosen priorities for the Canning Town area are as follows:

Chosen priorities **Please note: 1 = highest rank (1st place) and 6 = lowest rank (6th place)**	Project details
1 (most important)	**Art project on Becton Road** - make use of the tiles and walls in the subway as a gallery space. The project would transform the space and turn it into a space that displays artworks; this could be in the form of photography, paintings and murals.
2	**Improve communal and green spaces** - coordinate activities and projects to improve green spaces and communal areas around the neighbourhood.
3	**Support new business developments and entrepreneurship** - coordinate networking sessions for residents and local business owners, followed by mentoring and coaching sessions.
4	**Community Safety** - link with local police, enforcement teams and the Community Safety Team to build trust and improve safety in the neighbourhoods.
5	**Youth service provision** - link with local police, enforcement team and the Community Safety Team to foster community cohesion and build trust between Police and the community.
6 (least important)	**Intergenerational & Inclusive projects** - Computer workshops for older people, ESOL and vulnerable residents.
